This contract is made _____(day/month) of 2025 between Moonlight Farm/Carol Thogode and _____ purchaser, for the breeding of the mare named _____ the WPCS named Orchard Hills Rolled in Gold (WPCS#53614 and USEF#5569584). The breeding fee is \$1250.00, Collection fees are additional and will be billed through Performance Equine Vets/Equine Fertility Institute.

MARE INFORMATION

Mares Name: _____ Date of Birth: _____

Breed & Registration number: _____

Sire: _____, Dam: _____, Sire of Dam: _____

Studbook/registry the foal will be registered with: _____

This mare is booked by name and the booking is valid to this mare only. Neither or the return privilege can be transferred without written permission from the stallion owner.

The Mares health condition is the responsibility of the Purchaser. The Purchaser will insure that the mare is in sound breeding condition. We recommend that purchasers vet examine and assess your mares breeding soundness, and your mare should have a negative uterine culture prior to breeding. We expect you to follow your veterinarians recommendations.

We recommend that the Purchaser vaccinate the mare for Rhinopeumonitis (Equine Herpes Type 1) at 5, 7, and 9 months of pregnancy, the Purchaser should also ensure that the mare is kept improper condition, and be kept up to date oral worming and all other vaccinations.

The FULL breeding fee must be received before any Semen will be collected, shipped or picked up.

We strongly recommend that the above named mare rechecked for her pregnancy and ultrasounded by a veterinarian 14-17 days post breeding. The mare should also be rechecked between 28-35 days for pregnancy. The Purchaser must inform Moonlight Farm of the above names mares pregnancy status by day 45.

- Fedex Priority overnight Saturday Delivery \$285.00 (includes return)
***Saturday delivery is not available in all areas, please check with your carrier.
- Counter to Counter \$375.00 to \$475.00.

Semen order form can be found at: EQUINEFERTILITYINSTITUTE.COM.

Stallion owner is not responsible for any semen shipments that are lost, delayed or damaged during transport. The semen must be administered by a licensed veterinarian or by a breeding technician approved by Moonlight Farm on the day of delivery, or the LFG and contractual obligations may not apply.

The Purchaser assumes all responsibility for the condition of the mare and shall bear all risk of loss or damage to the mare what so ever by death, disease, injury, infection or otherwise, and by any cause whatever, including inappropriate, untimely, or negligent insemination or failure of insemination and therefore releases, discharges, indemnifies and hold harmless Moonlight Farm/Carol Thogode from any and all damages therewith.

The Purchaser agrees that no embryo transfers from the above named mare using semen from a Moonlight Farm stallion are to be done without the prior written permission of Moonlight Farm.

If the mare fails to conceive during the 2025 season the Purchaser is entitled to use the breeding in the following two seasons. Purchaser must inform Moonlight Farm by no later than October 31, 2025 as to whether the mare is in foal or not. This report must be sent to Moonlight Farm, so that the (LFG)and return breeding will be honored. It will be the Purchasers responsibility to pay the booking fee, collection fees, shipping and container fees the following season(s)-costs may vary from year to year.

Orchard Hills Rolled In Gold 2025 Breeding Contract Continued

Live Foal Guarantee: If the mare, after being checked in foal, aborts or does not produce a live foal that can stand and nurse on its own, and survive 30 days after birth, the Purchaser is entitled to a return breeding in the following years (2026 & 2027). It will be the Purchasers responsibility to pay the new seasons booking, collection (if applicable) and shipping fees. A veterinary certificate is required within (5) days from the date of death or examination. Otherwise the LFG is null and void.

It is agreed that should the stallion be sold, die or be unable to produce viable semen, Moonlight Farm will substitute frozen semen from the above named stallion. Maximum time limit on this contract is two (2) years.

A certificate of service will be issued to the mare owner once all fees have been paid in full, and once the stallion owner receives notification of the birth of the foal.

This contract shall rebinding upon both parties, when accepted by the Purchaser. This contract is transferable only with written permission from the stallion agent/owner.

PAYMENT METHODS ACCEPTED ARE CASH, CHECK, ZELLE, VENMO
